

A House for Wren is the newly released children's book for the 'young and young at heart' written by Julie Beever and illustrated by Diana Delosh. Entertaining and educational, *A House for Wren* is a bird's-eye view of the habits and habitats of a variety of colorful and fascinating birds.

A unique introduction to birdwatching for young birding enthusiasts, this story contains factual information about the nesting habits of real-life birds and introduces young readers to the lifelong love of birding.

****For a limited time, autographed, personalized copies** are available through Julie Beever.
